

**FRANK SABLON DAUBERTON OF SECURE INVESTMENT AND HARMONY**

After receiving e-mails depicting experiences with this company (both Secure and Harmony), **it is in my opinion a serious fraud.**

People have given deposits and paid big money to create Nevada based companies, with a guarantee that these moneys would be refundable if investments were declined. To date, numerous groups have given those funds, only to be ignored afterwards. No way to further reach them, whether by mail, by e-mail, by certified mail, by fax, etc...

More information is apparently available from the following sources:

- French Consultate in Los Angeles (Many complaints)
- Beverly Hills Chamber of commerce (Many complaints)

Lets move on to more serious investors.

Since very little information on Dauberton exists in the Archives, I wanted to bring this back to the main page.
